## ROMKids Show

It's the ROMKids Show! Join Kiron Mukherjee, ROMKids Camp Director, every week for stories of science, art, and history. We talk with special ROM experts about everything from dinosaurs to mummies, citizen science to water equity, and often get crafty (and sometimes messy!) with art projects and science experiments. It's half an hour that's fun for toddlers, perfect for kids, and beloved by the adults isolated with them!

You can tune into the ROMKids Show every Tuesday at 1:30 pm EST on Instagram Live on the [@ROMToronto account](#).

Missed it live? Find all the episodes below or on [YouTube](#).

**ROMKids Show: The One About The Science Of Whales**
